### SPECIFICATIONS :

ANATOLIE is a wooden ketch, registered as professional touristic sailing boat by the Greek Authorities. "Professional sailing yacht" means she succeed to stability tests and different technical specifications.

For this reason she is allowed to sail with winds 6 Beaufort and stronger rather other professional touristic boats up to 83 feet are not. And the sails are not here just for your pictures ;-). ANATOLIE has two 135HP English marine engines and around 200 square meters sails. There is a tender with Yamaha outboard engine, autopilot, 2 VHF, 2 GPS and the electronic standard equipment. There is always 220AC for charge any telephone or others like camera or MP3 player. Of course there is electric fridge, 2000 liters water tanks and hot water. There is snorkeling equipments, some fishing lines, and possibility to connect your MP3 player on the yacht stereo. There is a sunbath area with sun beds... and 3G-WIFI on board (free for email use, no for movies download ;-).

Everything to enjoy a comfortable and safe cruise... Length OA : 70' - Wide : 18' - Draft : 9'

Sailing area : Cyclades in May, June, September and October, Ionian or Sporades islands in July and August (for these islands we provide transfers from Athens Airport if needed).
